Giving Hope to the Lost and Underprivileged

FEEDING PROGRAM

Scepter Outreach started a project in eastern India that feeds the homeless children of the major train station hubs of Kolkata. Every morning we provide food packets containing a boiled egg, a banana, and a large sweet bun. Each morning countless starving homeless children stand in line to receive their food packets, knowing that may be their only meal until our arrival the following day.

"He who has pity on the poor lends to the Lord,
and He will pay back what he has given."
Prov. 19:17 (NKJV)
